# HEALTH AND VITALITY

- The shortest, fastest path to health is fasting.
- Body needs very little food.
- Empty stomach potentiates immunity.
- Busy intestines suppresses immunity.
- Take time to rest. Take regular vacations. Exercise well.

# ABOUT FOOD

- Choose whole over processed.
- Choose plant over animal.
- Choose organic over commercially grown.
- Choose raw over cooked.
- Choose less over more.
- Eat slower, chew very well.

**Let your bare feet walk  
on the mother – earth  
each day.**

# CONCLUSION

- Care for what's at hand; what you dream will come.
- Care for those near; those far will come.
- Nurture what you are, have, what you desire will come.
- Tidy, clean your current home, your dream home will come.
- Tidy your car, a better car will come.
- Develop your present self, your best version will come.

*Thank You*
