

# **Welcome to 100/10 Academy**

# Testimonies

# **How to be Unstoppable.-**

## **REVIEW OF KEY TOOLS**

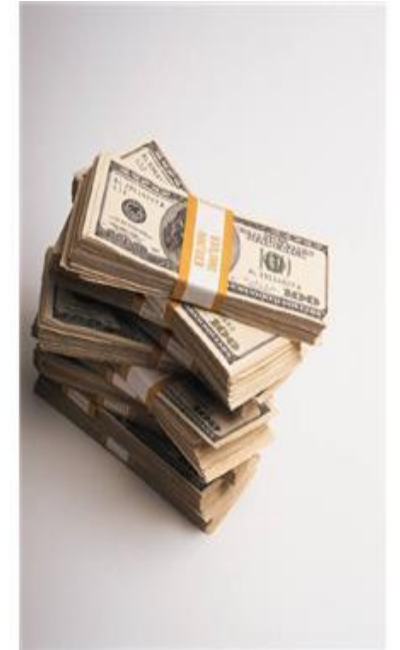

1. Currencies always on increase

2. Basic concept

Living is travelling

Life is a journey

Goal is always a pleasant trip.

### 3. The four factors of every Journey.

The starting point.

Current situation.

Honest self appraisal.

Pretence is fatal.

## 4. The destination: Arrival Port.

What to be remembered for.

The purpose of life.

With purpose; you leave a legacy.

Without purpose, you leave a warning.

## 5. The Vehicle.

When Departure and arrival are same.

The shoes, bicycle, bike, tricycle, car, aircraft, rocket

## 6. Goals

Unreasonably high goals.

Incredible purposes.

Goals: Greatest weapon.

Goals setting is an art.

What to you want.

## 7. Goals

Goals attract co-passengers.

Goals determine the captain and crew.

Goals bring mentors, role models.

Goals or you travel as a waiter.

## 8. Fourth factor, People.

People and their invention.

Slots are limited, seats are numbered.

Assign seats carefully and “selfishly.”

Be proactive in choice.

## 9. Choice

Permanent interest, not permanent friends.

Those to resemble, not those to pity.

Successful people, not failure.

Luck people, not unlucky people.

Great books, not “me-also” books.

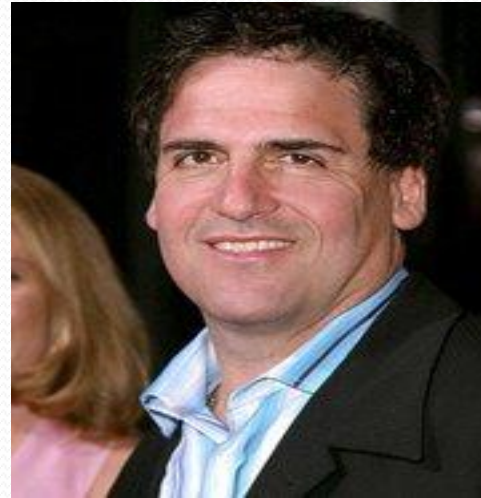

# 10. Characteristic of Unstoppable People

- i. Upgrade Consciousness
- ii Neo-organico
- iii Self-belief
- iv Tenacity

- 
- v Overcoming obstacles.
  - vi Purpose driven.
  - vii Perseverance.

viii Billionaire  
Mentality.

ix Look, learn, listen.

x Earning ability.

# Conclusion

Mountain climbing is pebbles climbing.

Never be the herds-man.

M: Make it short term goals.

O: Out with the negative thoughts.

T: Think of why you want what you want.
